

# EDMUND MURPHY

A 2D background artist and designer with a passion for storytelling! Having completed an Honors Degree in Digital Animation Production at TUS, I have been working in animation for about a year now. I am highly imaginative, adaptable and most of all, I love to learn! Others describe me as very reliable in a team.

## Software Proficiencies:

### Fluent:

Adobe Suite  
Toon Boom Suite

### Working Proficiency:

Nuke  
Autodesk Maya  
Blender

## Previous Experience:

### JAM Media & Pictor Productions Scene-Prep Artist November 2024-Present

- Importing animation rigs and multi-plane backgrounds, posing and layering them appropriately using timeline and node view.
- Matching shot framing as dictated by animatic, animating camera moves and creating asset compositions which are pleasing to look at.
- Working to meet deadlines in a production environment.

### MyAuntSally Internship

May-July 2023

- Worked with my supervisor, creating assets, taking feedback and revising the work to apply any necessary changes.
- Learned stylistic adaptability, working on a variety of projects each with a distinct look as regards line quality, shape language and texture.

## Education:

### Digital Animation Production (2020-2024) (Bsc Honours Level 8) TUS Midlands

Learned and practiced good work-ethic. Worked consistently to meet deadlines, and to a high standard maintaining an overall First Class Honours across all years of study.

Created a number of short film projects as Lead BG and Composer.

Gained proficiency in a wide range of industry relevant softwares.

### Animation Industry Fundamentals (Feb-April 2022) Taught online by Dreamworks Visual-Developer Ethan Becker

Studied existing works, learning to break down and recreate features of the style to a high degree of accuracy
